What students say:

"It was the best experience in my life. You meet new people, you make friends, you learn about cultures, you try new experiences, new foods, you learn French and you get to know yourself. All these while you are in Europe, travelling. Don't miss this opportunity, you won't regret it!"

■ Your summer in Lille, France

Lille and its region have more than 1000 years of history, visible in its diverse architecture as well as numerous memorials across the region, especially from the two World Wars, toured by national and international visitors each year. The city is the 2nd biggest University Center in France with 115 000 students.

Founded in 1066 and more dynamic than ever in the 21st century:

Lille, a City of Art, Culture, and History

5 world-renowned museums, among the largest in France (Musée des Beaux-Arts, Modern Art Museum, La Piscine de Roubaix, Louvre-Lens ...)

Vibrant city: concerts, festivals, conferences, street life, exhibitions, sporting events ...

A historical campus in a walkable city

Think outside the box, study outside the classroom ! Most LILLE courses involve visits to emblematic and pertinent local and regional sites.

Lille, where Europe meets
